

START AT

Square One

A structured group program for parents, guardians, family members, foster parents and other people who need a place to start in building their understanding of the LGBTQ people in their life. Here, we will provide support, build skills, and have a space to learn and grow from one another to positively impact the lives of the LGBTQ people related to us.

Square One Meets Every First and Third Monday of the Month (Excepting Holidays) at 5:30 PM.

Meetings are currently virtual:
contact lgbtq@fcsfl.org to join.
